Apologies:	Jessica Lockett, Gilbert Taurua
Chair:	Sharon Pihema

Discussion	Actions/ Follow up
<p>Minutes and actions from the last meeting approved.</p> <p>Welcome Tony Mottershead, senior project manager supporting the Commission's trauma programme.</p>	
<p>Update on progress to date</p> <p>8 interviews completed to date.</p> <ul style="list-style-type: none"> - Progressing with the remaining DHBs. The project is experiencing delays obtaining local approvals, identifying a risk of not completing all 20 whānau interviews by the original timeframe (30 April 2021). - To mitigate this, in the upcoming weeks we will be connecting with iwi hauora providers to find participants, opening the scope to patients, some who may be from out of region and/or receive a significant amount of non-DHB services for their recovery and rehabilitation. With these mitigations in place the timeline has been revised and is now due to complete end of July 2021. This includes analysis and publication delivery. The group agrees this is good solution and necessary to extend. - Providers to engage will begin with those the Commission team hold relationships with: Turanga Health, Ngati Porou Hauora and ABI Rehab. A courtesy email was sent to Midland region trauma CE. <p>Participants have given approximately 2-3 weeks to return the final transcript they are happy with. Group agrees to set a timeframe for this feedback to manage delays.</p> <p>Sharon has maintained safety while working through, taking breaks with her family and calling for support where needed.</p>	<p>1. Sharon to give participants 2-weeks to review transcripts.</p>
<p>Discuss themes</p> <p>Need to consider what is 'different' for Maori? What is it they need?</p>	<p>2. Te Raina follow up with Sharon re themes.</p>

Discussion	Actions/ Follow up
<p>Broad themes coming through so far:</p> <ul style="list-style-type: none"> - All require mental health support at some point in their recovery. - A few patients were injured right before COVID-19 lockdown. - No evidence of engagement with Kaupapa Māori services <p>Te Raina and Sharon will meet offline to discuss themes further.</p>	
Other business	
Close – Next meeting for July 2021.
